

Position: Researcher, Connectivity (Full-time or Project-based)

Location: Mumbai, India

Start Date: January 2025

Salary: As per industry standards

Gateway House: Indian Council on Global Relations is a not-for-profit, non-partisan, independent, membership-based, foreign policy think-tank established in 2009, to engage India's leading corporations and individuals in debate and scholarship on India's foreign policy and its role in global affairs.

Gateway House executes its mission through a comprehensive website (www.gatewayhouse.in), a productive research programme and a robust membership and meetings programme.

The Researcher will work in the Senior Fellow for Energy, Investments and Connectivity.

Responsibilities and Expectations:

- Work with the Fellow for Connectivity.
- Analyse and evaluate existing material on the subject, including Gateway House past and on-going projects, on-going country vision plans, multilateral initiatives (BRI, INSTC, IMEC, Blue Dot etc), as also through multiple publications and media.
- Gather information by doing field research; attend subject seminars and lectures.
- Apply appropriate research techniques including mapping, and primary interviews when planning, designing and implementing connectivity research projects.
- Collaborate on policy briefs, articles, blogs and other publications with in-house fellow researchers
- Write, review and edit materials for publication.
- Conduct subject-specific member and external educational outreach
- May be called on to also provide support across departmental lines and for other Fellows.

Qualification/Other:

- Indian nationality preferred.
- Master's degree with minimum 3 years of experience or a Bachelor's degree with minimum 5 years of experience in a relevant/related study area.
- Have experience in, and agree to, management and administrative tasks.
- Good verbal and written skills.
- Enthusiastic and creative team player with ability to work both independently and collaboratively.
- Proficient in Microsoft Office and search technologies.
- Community service carried out is an added advantage

Please submit a CV, a covering letter indicating your interest in Gateway House and motivations for working with us, and one relevant writing sample to jobs@gatewayhouse.in

PLEASE INCLUDE THE NAME OF THE POSITION IN THE SUBJECT OF YOUR EMAIL. Once we review these documents internally, we'll contact you for an interview in person or on a video call. This role is based at the Mumbai office and not remote.
